### Township Works to Save Residents Money on Electric Supply

The Township has partnered with Good Energy, LP, a national energy management firm and industry leader in Government Energy Aggregation (GEA). GEA is a program in NJ that allows government entities to create large buying groups of electric accounts to bulk-purchase electric supply at cheaper rates (similar the way big box stores do).

Mayor and Council are working with Good Energy to go out for bids for electric supply on behalf of the township residents as an aggregate entity. This will provide the opportunity for residents to save money on their electric bills, more so than what an individual resident can do alone. There is no cost to the Township or residents for this process. This only will affect the electric supply portion of the residents' bills. The electric delivery is not impacted.

Participants will see no change in their utility billing other than a price reduction in the energy supply. Program enrollment is designed to be simple, and is essentially automatic except for those already set up with a third party provider. Anyone who does not wish to participate will be able to "opt-out" without any penalty during the 30-day time period once notices are mailed out and will not be included in the program.

Notices will be sent to all residents with the winning rate and each home's estimated savings. Once enrolled, participants will be able to leave the program at any time without penalty.

The new rate in the GEA program will remain fixed for a known period, usually from 12-24 months and will not change and must be lower than the utility rate in accordance with State Law. Also, the Electric Company (PSE&G or Atlantic City Electric are the two serving the Township), will still be responsible for any power issues and delivery service.

For more information on the GEA program, visit the Township's website ([www.glotwp.com](http://www.glotwp.com)) or [www.njgea.com](http://www.njgea.com). You can also call (855) 777-7414 to speak to a GEA representative.

### Economic Development Corp. Holds Business Breakfast - Distributes Awards

The Township's Economic Development Corp. recently held their 14th Annual Business Breakfast at the Palace in Blackwood and distributed several awards to local businesses who have helped the Township. Above, Camden County Freeholder Michelle Gentek presents the "Green Team" Award to reps of Sun Bank Glendora Branch. Also recognized were Advocare DelGiorno Pediatrics, Solar City, The Shoppes at Gloucester Township, as well as Assemblyman Paul Moriarty for his work on Economic Development in this District.

### Improvements Coming for Old Blackwood IGA Plaza

The above concept plan has received site plan approval for the shopping center which held the old IGA store on the Black Horse Pike in Blackwood. The building will be refurbished and expanded as well as two pad sites were approved for a Dunkin Donuts and a restaurant. The new complex will be called "The Shoppes at Gloucester Township".

**A Message from David Mayer**

As we transition from a very challenging and costly winter to welcome warmer weather, I wanted to update you on the progress of our community. As I start my second term as Mayor, we continue to focus on cost saving initiatives that involves the completion of the Energy Savings Improvement Program. This program allowed both the township and our Regional School District to upgrade inefficient lighting at our three High Schools as well as the HVAC units and boilers at several township buildings resulting in energy efficiency savings. This coming year we will work to implement an energy aggregation program that will bundle all residential households energy costs in our township, as well as with several other towns, to produce the largest energy aggregation bid in the entire state. This will result in lower electric energy costs for our residents. Residents will be receiving more information about this program in the near future.

We continue to focus on economic development as we look forward to the ground breaking for the new premium outlets located at the College Drive interchange. The expansion of our facade program and establishment of an arts district in the downtown Blackwood section of our community will further enhance that area with new events and patrons for businesses.

The construction of Citizens Appreciation Park, located in the Glendora section of Gloucester Township, will begin soon with a dedication being planned for Sept. The newly constructed multi-purpose field at Community Park will open in the Fall, and the addition to our recreation center will be completed this summer.

Gloucester Township will also be honoring World War II veterans by presenting them with the Gloucester Township Meritorious Military Service medal at a ceremony on May 15th at Timber Creek High School. Should you know of a living World War II veteran, please contact my office to assure that they receive an invitation.

I wish you the very best for a great summer. Thank you for helping to make Gloucester Township a great place to live, work and play.

Sincerely,  
*David Mayer*

## Fired Up And Peddling For The Cure!

On Saturday, September 28, 2013 the Glendora Fire Company participated in the National Multiple Sclerosis Society's Bike MS: City to Shore Ride 2013. Members of the fire company collected \$3400 in donations from local businesses, friends and family to help support this great cause. Leading up to the event the members trained weekly for the 25 mile ride from Mays Landing, NJ to Ocean City, NJ and attended a rider skills course/bicycle inspection so they were prepared for the ride.

All the proceeds from this event will help fund critical research needed to end MS and to support the vital services this organization provides. The Society's Greater Delaware Valley Chapter provides the resources that 14,000 local people living with MS need to remain independent, including employment counseling, health insurance advocacy, physical therapy and emergency financial assistance. The Society also invests more money in MS research than any other volunteer-driven health organization in the world.

The Bike MS: City to Shore Ride 2013 turned out to be a great success. All of the members who participated in the ride finished with no injuries, the event helped increase local awareness about multiple sclerosis and every dollar raised helps make a real difference in the lives of the 14,000 local people living with multiple sclerosis.

## Public Works is Working Hard!

### New Increase in Services

Public Works is increasing brush pick-up to once a week! Brush pick up will be weekly on your recycle day. Recycling pick-up will remain unchanged.

**Dispose of your American Flag properly! Public Works collects American Flags and will dispose of them.**

## GLOUCESTER TWP IS GOING GREEN

Please use biodegradable paper bags.

**Help Us Help You:**

Please mark your bags brush & yard debris

Please keep grass clippings out of the street and our waterways. It is against DEP state and local regulations. The grass clippings clog our storm waterways and put toxic chemicals into our waterways.

## SOLUTIONS TO STORMWATER POLLUTION

In accordance with our NJDEP Tier A Municipal Stormwater General Permit, the Twp. adopted various Ordinances to regulate the impact of stormwater runoff and pollutants on the environment.

- 1. Pet Waste:** This requires pet owners to pick up and properly dispose of pet waste dropped on public or other people's property. It prevents fecal contamination from impacting the local waterways.
- 2. Litter:** This states it is unlawful to throw, drop, discard or otherwise place litter of any nature upon any public or private property, other than in a litter receptacle. This prevents unsightly & unsanitary conditions & prevent litter from impacting waterways.
- 3. Improper Disposal of Waste:** This states that it is illegal to dispose of waste in any place not specifically designate for the purpose of solid waste storage or disposal. The purpose is to prevent unsanitary conditions and groundwater pollution.
- 4. Wildlife Feeding:** Feeding of water fowl on municipal park property is prohibited by Ordinance. The Township enacted the Ordinance as a method to reduce water fowl population in response to health concerns regarding bacteria which is harmful to humans and fish populations.
- 5. Yard Waste:** Yard waste is regulated by Ordinance which establishes the current zone collection system and the methods of collecting leaves, brush, and other yard waste. The purpose is to keep leaves and grass out of the storm sewer system.
- 6. Illicit Connections:** This makes it unlawful to connect any pipe or device to the municipal storm sewer system that is intended to discard, spill or dump any material other than stormwater runoff or ground water (sump pumps) into the system. The purpose of this Ordinance is to prevent pollution and contamination of waterways which receive discharge from our storm sewers.

The transport of pollutants into local water bodies destroys fish, wildlife and habitats; threatens public health and causes the loss of recreational and aesthetic value. We have enacted these Ordinances to protect our environment, and to keep pollutants that are commonly conveyed by stormwater from adversely impacting our waterways and groundwater supplies.

## From the Office of the Chief of Police

Dear Community Member:

In 2010 new policing initiatives were introduced which included more efficient scheduling, higher visibility policing such as bike patrols, intelligence based policing, anti-crime patrols, use of social media, and collaborating with the community to solve crime, and much more. These new strategies have resulted in a decrease in crime in many categories in Gloucester Township.

The new initiatives established in 2010 were in response to a review of crime data in Gloucester Township for the years 2007 - 2009. A comparison of crime information for the years 2007 - 2009 found that incidents of robbery had increased 80%, Aggravated Assault had increased 50% and the overall Violent Crime Rate had increased 62%.

This increase in crime demanded that a new policing strategy be developed and implemented. In the spring of 2010 a new policing model was initiated involving various policing models including Problem-Oriented Policing, Traditional Policing, Community Policing, Professional Policing, and Intelligence Led Policing. Collectively, this new hybrid policing model greatly entails high impact policing operations as well as informing the community of crimes in an effort to empower the community in becoming part of an overall community wide crime fighting team. The changes implemented in 2010 included strategies of providing information about crime and in many instances criminal suspect information. This was accomplished through the use of social media, traditional news outlets, community group presentations, our Crime Stoppers series, and much more.

The strategies implemented in 2010 have reduced crime. A preliminary comparison of crime for the years 2009-2013 has found that Robbery has decreased 60%, Burglary has decreased 19%, and Aggravated Assault has decreased 6%. Additionally, the overall violent crime rate has decreased 30% from 2009 - 2011 and non-violent crime has decreased 15% from 2009 - 2011.\*

Despite such dramatic decreases in crime in various categories, we have found that some residents believe that more crime is occurring in Gloucester Township than in past years. I believe this misunderstanding, that there is more crime today, is simply a consequence of our unique but effective strategy of informing and empowering the public to fight crime. The Gloucester Township Police Department is one of just a few communities in the region who utilize social media, traditional news media, and our own community notification system to inform residents of various crimes and engage them as partners in the crime fighting effort. In 2010 we began informing members of the community of various videos and pictures of crime suspects through the use of social media. Our use of social media to solve crime has proven very successful. We receive numerous, and very often credible tips, for nearly every video or picture we post to our social media sites which often lead to an arrest and then prevents even more crime.

Our assertive use of social media and engaging the public does have a drawback of causing an appearance that there is more crime in Gloucester Township than in other communities. It is understandable why this misconception occurs because very few communities have chosen to share suspect videos and pictures through popular social media platforms such as YouTube, Instagram, and Twitter as the Gloucester Township Police Department does. When comparing crime in Gloucester Township to all towns in Camden County, Gloucester Township's Violent Crime Rate of (2.9) is significantly lower than the average of all Camden County towns which is 3.5. Similarly, Gloucester Township's Non Violent Crime Rate of (24.8) is well less than the average of all Camden County communities which is (35).\*\* Again, many communities in Camden County do not post surveillance videos on YouTube on a regular basis as the Gloucester Township Police Department does; but just because a community isn't posting criminal suspect information to social media doesn't mean that crime may not be happening.

I am so proud of the members of the Gloucester Township Police Department for their continuing commitment and dedication in attacking crime. I am also thankful to the members of the Gloucester Township community who have become our partners in holistically fighting crime by engaging with us in new ways. As we approach the middle of the year 2014, I know that we are facing new challenges. Drug addiction, particularly opiate based addiction, has become an epidemic not only here in New Jersey but across our Country. It is so important that as a Police Department we continue to evaluate our policing strategy and adjust our approach as we face new challenges. What must not and will not change is our engagement with the community and the community's partnership with us as we move to not only fight crime but prevent it as well.

Sincerely,

Chief Harry Earle

\*The violent crime rates and non-violent crime rates for 2012 and 2013 have not yet been released by the New Jersey State Police.

\*\*The unit of measure for a crime rate is per 1,000.

## Traffic Safety Bureau

With warm weather finally upon us and residents out enjoying our Township parks, the police department's Park Patrol Program begins again. Park Patrol officers are Class 1 Special Law Enforcement officers who are assigned to maintain the

safety and security of our Township parks and recreation areas. The smaller parks are patrolled periodically throughout the evening each day. Officers are assigned to patrol Veterans Park and Community Park each evening during the week and day/evenings on the weekends.

Patrols are conducted by foot, patrol vehicle, the department's electric golf carts and our newest vehicle, the Segway X2. The electric golf carts and Segway allow officers to access areas of the parks that regular patrol vehicles cannot get to. To aid in patrolling the parks, new security cameras have been installed around Veterans Park. These cameras allow officers to monitor events within the park, locate children that wander away from the play areas and deter crimes from occurring. Security cameras are also installed at the Marge Martin Lakeland Sports Complex and the Lakeland Sports Complexes located on Woodbury-Turnersville Road.

## NATIONAL NIGHT OUT 2014

On Tuesday, August 5, 2014, Neighborhoods throughout Gloucester Township are being invited to join forces with thousands of communities nationwide for the 30th Annual National Night Out (NNO) crime/drug prevention event.

National Night Out, which is sponsored by the National Association of Town Watch (NATW) and co-sponsored locally by the Gloucester Township Police Department, will involve communities from all fifty states, U.S. territories, Canadian cities, and military bases around the world. National Night Out is designed to: (1) Heighten crime and drug prevention awareness; (2) Generate support for, and participation in, local anti-crime efforts; (3) Strengthen neighborhood spirit and police-community partnerships; and (4) Send a message to criminals letting them know neighborhoods are organized and fighting back.

The Annual National Night Out Event is scheduled for Tuesday August 5, 2014. Any groups interested in hosting a National Night out Event in your neighborhood please contact Lt. Barton [bbarton@gtppolice.com](mailto:bbarton@gtppolice.com) or Ptl. Jenn McLaughlin [jmclaughlin@gtppolice.com](mailto:jmclaughlin@gtppolice.com) at 856-228-4011.

## GTPD Uses Pinterest Social Media Website To Display Lost and Recovered Property

The Gloucester Township Police Department has expanded its use of social media to help the community re-claim recovered lost or stolen property.

The Department's Crime Scene / Property Unit has begun to post pictures of recovered property on the #GTPD "Pinterest" social media website. The property listed on the #GTPD Pinterest website has been recovered as a result of criminal investigations or has been found or turned into the Department as lost property. The owner(s) of the property listed on the Department's "Pinterest" website are unknown and unidentified. It is the Department's hope that this property will be returned to the rightful owners.

Recovered property on the website includes bicycles, electronics, jewelry, watches, handbags, and even a kid's baseball glove. Owners will still need to come in and show proof of ownership in order to claim their property if they locate it on the #GTPD "Pinterest" website, but they will be able to browse through what we have. The #GTPD "Pinterest" will be updated regularly.

This Pinterest site is another way our community can connect with the Gloucester Township Police Department. If you believe we have recovered something that belongs to you, you can email the #GTPD Crime Scene/ Property Unit's Detective Patrick Cunane at [pcunane@gtppolice.com](mailto:pcunane@gtppolice.com) or Agent Brian Bates at [bbates@gtppolice.com](mailto:bbates@gtppolice.com) or call 856-374-5713.

## National Police Week

In 1962, President John F. Kennedy signed a proclamation which designated May 15th as Peace Officers Memorial Day and the week in which that date falls as Police Week. The Gloucester Township Police Department honors the 105 Police Officers killed in the Line of Duty in 2013 and National Police Week May 19-22, 2014. The Gloucester Township Police

Department partners with Gloucester Township Public Schools and participates with students in the following programs and activities during the week of May 19 – 22, 2014.

- PreK & K:** Mcgruff The Crime Dog visit
- 1st and 2nd Grade:** Police vehicle visit
- 3rd Grade:** traffic and bicycle safety program
- 4th Grade:** K9 demo
- 5th Grade:** DARE Lessons

On May 1, 2014 at 7:00 PM the Gloucester Township Police Department will be hosting its Fourth Annual Awards Night at the Dennis Flyer Theater at Camden County College. The event will be open to the public at no cost. Awards will be given to honor police officers and citizens that have made extraordinary contributions to the safety and well being of the Gloucester Township Community. Students from Gloucester Township Public Schools will also be recognized for their outstanding efforts in Police Week essay and poster contests.

## Transformation of the GTPD Juvenile Unit

The past year has been a busy year for the Gloucester Township Police Department (GTPD) that has been filled with progress and changes. Over the past year, we have made several proactive changes to our Investigations Bureau, specifically the Juvenile Unit. In the beginning of 2013, the Juvenile Investigation Unit, which consisted of only two Juvenile Detectives, was changed to the Juvenile Unit. With this change, our two School Resource Officers, who had previously been assigned to the Patrol Bureau, were moved to the Juvenile Unit. We also created Roving School Resource Officers to patrol our township's middle schools, elementary schools, parochial and charter schools. This was to create a unit where both patrol officers who work with the schools, and detectives who follow-up on incidents involving juveniles could work closely in unison to create a team that would successfully fulfill our goals. A Sergeant was also transferred to the Juvenile Unit.

These changes were made to ensure that we, as a department and the community, do everything we can to help reduce crime now and into the future. One way that this is possible, is to try and curb juvenile crime and provide counseling to those children in need to help them become productive members of society. With the GTPD's dedicated focus to our youth, we saw a need to build on programs that were already established. To assist with this goal, a new Juvenile Detective was assigned to the unit and is tasked to work closely with our Licensed Clinical Social Workers. Detective Marc Grodzianek was re-assigned to the new Detective position on December 2, 2013 and has been working closely with our counselors to assist with the programs along with follow-up with any juveniles in crisis. Also, our LCSW Michele Selfridge has signed on as a part time counselor dedicated to working as part of the Juvenile Unit. With the direction of the Chief and our administration, the Juvenile Unit has transformed into a successful team that has been a model of the future of policing for several law enforcement agencies throughout the State. If you have any questions concerning the Juvenile Unit, please feel free to contact them at 856-374-5716. You can also reach one of our LCSW's at the Family Resource Center at 856-842-5553 or [familyresource@gtppolice.com](mailto:familyresource@gtppolice.com).

## MISSING CHILDREN'S DAY

On May 25, 2014 the Gloucester Township Police Department will be supporting National Missing Children's Day. On this date it's a reminder for all parents, guardians, teachers and other role models to make child safety a priority. Between the hours of 8AM and 4PM please stop by the GTPD Watch

Desk to receive a fingerprint kit and brochure which will assist you in ways to keep your child safe.

Take 25 is designed to raise awareness of the issues surrounding missing and exploited children. The Take 25 campaign encourages parents, guardians, educators, and others to take 25 minutes to talk to children about safety. With a focus on prevention, Take 25 provides communities with free safety resources including safety tips, conversation starters, and engaging activities.

Visit [www.take25.org](http://www.take25.org) to obtain 25 ways to make kids safer or contact Lt. Barton or Ptl. Jenn McLaughlin at 228-4011 or send an email to [communityrelations@gtppolice.com](mailto:communityrelations@gtppolice.com)

Registrations now open at [gtstallions.org](http://gtstallions.org) or in person at Gloucester Township Day. Contact president Mike Williams for information at [mwilliams@comcast.net](mailto:mwilliams@comcast.net) or 856-373-3999.

## Gloucester Township Lacrosse

The up and coming sport of LACROSSE has arrived in Gloucester Township! The organization plays in the South Jersey Youth Lacrosse League, which currently has 14 town programs with over 2000 boys and girls participating in the game.

Gloucester Township Lacrosse is also growing, and we are currently seeking boys and girls grades K-8 who want to learn and compete in this great sport. Lacrosse is primarily a spring sport (March – May) with generally 2-3 practices a week and games on Friday nights (U15 team) and Saturday mornings/afternoons for other teams. At the youth level, EVERYONE IS A BEGINNER, so don't worry if you are not familiar with the sport. Our coaches are knowledgeable and experienced in the game, and our goal is to provide a safe, fun learning environment where we emphasize the fundamentals of the game, sportsmanship and teamwork. Coaches, team parents, volunteers, etc. are needed to grow the sport of lacrosse in Gloucester Township – ALL ARE WELCOME!

For questions, open house details, registration, etc., please visit our website: [www.glotwplax.com](http://www.glotwplax.com) or email: [gloucestertownshipplax@gmail.com](mailto:gloucestertownshipplax@gmail.com).

### TBAA SOCCER

Timber - Broadmoor Athletic Association (TBAA) is holding its Fall 2014 Soccer Registration in May for its Boys and Girls Travel Program and in-town Intramural Program. We are celebrating our 50th Anniversary this year!

The Travel Program is for players age 7 (U-8) - age 17 (U-18). With over 30 travel teams, TBAA offers a competitive program that can accommodate players with a wide range of skill levels. TBAA offers both free and subsidized professional training to all of its travel players. TBAA has also supported teams that play in the MAPS, JAGS, EDP and Region-1 leagues. Tryouts for the Fall travel teams are scheduled for late April/early May and more information can be found on our website [www.tbaa.net](http://www.tbaa.net)

The Intramural Program is for ages 4-8. Our goal is to teach good fundamental soccer, ball skills, sportsmanship and teamwork, all in an enjoyable, non-competitive atmosphere. To maximize player development, we offer small sided games as endorsed by the US Soccer Federation. There is also free, professional instruction provided by our travel team trainers for all participants.

For more information or to register online, please visit our website at [www.TBAA.net](http://www.TBAA.net) or email: [tbaanet@hotmail.com](mailto:tbaanet@hotmail.com)
